EXPRESSION OF INTEREST (EOI) FOR VALVE MANAGEMENT AND REPAIR SERVICES REFERENCE:10334150

TotalEnergies EP Uganda (COMPANY) in its capacity as Operator of Contract Area (CA) 1 and License Area (LA) 2, in conjunction with its Joint Venture Partner(s), invite experienced and reputable contractors to express their interest in providing Valve Management and Repair Services for future oil production in respect of the Tilenga Project, Lake Albert Basin, Republic of Uganda.

General Field Development Description:

The Tilenga oil and associated gas development is located in the Northern area of Lake Albert in Uganda and covers the fields in CA-1 block and the Northern part of LA-2 block (Tilenga Project). The major development surface facilities include the following: 1. Wellpads (31) and the upstream gathering network. 2. The Industrial Area containing temporary facilities and the Central Processing Facility (CPF). 3. The associated supporting infrastructure (camps, roads, aerodromes etc.).

Scope of Work

The contract shall cover specialist maintenance services for

Pressure safety valves and process valves (actuated valves, control valves, isolation valves).

This shall include:

- Provision of trained and competent valve service technicians
- On site correct maintenance and repair (equipment expertise, and / or repair & tests)
- General Corrective maintenance of all type of valves and actuator in contractor workshop
- Pressure testing of valves to Company and international requirements

- PSV recertification program shall consist of repair and / or replacement of all required spare parts, sand blasting, primary coating, final painting and finally certification
- Supply of portable PSV test bench with associated third party inspection.
- Technical support and knowledge

Minimum requirements:

- Mandatory registration to or application to be registered to the National Supplier Database as required by the 2016 Upstream Petroleum Regulations of Uganda
- Commitment to statutory National Content requirements for oil and gas operations as required by 2016 Upstream Petroleum Regulations of Uganda
- Health, Safety, Security, Social, Environment and Quality (H3SEQ) Management system, and related procedures in compliance with local and international standards.
- Valid applicable national or international licenses or permits including trading licenses
- Technical capabilities to perform the service or provide the supply
- Qualified and certified personnel to perform the service
- Certified equipment to perform the service
- Quality control and assurance capabilities
- Financial capability
- Existence of all applicable and valid ISO Certifications
- Tax compliant
- Compliance to local and international laws.

Interested companies who meet the above minimum requirements should submit a request by email to:

EP.FOPS.PREQUALIFICATION-UGEP@totalenergies.com for a pre-qualification questionnaire on or before **11th June 2024 Noon Kampala time (GMT+3)**, quoting **'Prequalification Questionnaires request Ref. No. 10334150 – Valve Management and Repair Services.'**

Note: Only pre-qualified companies will receive invitations to submit bids in furtherance of the Call for Tender process. The pre-qualification Questionnaires and later Call for Tender will be issued via COMPANY's official e-sourcing system SAP-ARIBA.
